JAN 1976

MEMORANDUM FOR: Chairman, Honor and Merit Awards Board
THROUGH: Deputy Director for Administration
SUBJECT: Recommendation for Certificate of Distinction

1. In 1972, at the request of DD/S&T, the Office of Training's (OTR) Training Services Staff began work on a film documentary which would record the history of the remarkably successful KH-4 or CORONA Program. At the time I suggested that this film be prepared, there was very little in the way of Program CORONA officer support available to OTR to assist them on the effort.

2. Recently the completed film, "A Point in Time," was reviewed by the Director of Central Intelligence and shown in the auditorium to Agency personnel at large. The film has been well received by all who have seen it and the quality of the film is a tribute to the fine efforts of [redacted] the Chief of OTR's Training Services Staff and [redacted] the OTR contract employee who assisted him in this work.

3. These two individuals worked untiringly in the research, acquisition, and compilation of the film. The quality of the work is such that the film is a credit to the Central Intelligence Agency. For his superior performance on this difficult task I recommend a Certificate of Distinction [redacted]

Carl E. Duckett
Deputy Director
for
Science and Technology
